### Our Legacy of Helping Clients Achieve Financial Security

For more than five decades, Security Benefit has focused its expertise solely on the retirement industry. We provide a broad suite of annuities and mutual fund programs to help your clients align their assets with their aspirations, whether they're seeking strategies for market growth, principal protection, retirement income or legacy planning. Our clients include school district educators and administrators, individual investors, retirement plan participants in small- to mid-sized businesses and high net worth individuals. For nearly 20 years, we've had an exclusive relationship with National Education Association Member Benefits to provide retirement savings products to its nearly 3 million members and educators across the country.

Since its founding by 11 men with \$11 in 1892, Security Benefit has been dedicated to the belief that everyone deserves the opportunity to achieve financial security. Few companies have been in business as long as we have. We attribute our longevity to a nimble business model and the unparalleled importance we place on our partnerships with our network of financial professionals and their clients. Through a combination of product innovation, exceptional investment management and a unique distribution strategy, we've become a leader in the U.S. retirement industry. We're committed to ensuring the company remains progressive and poised to provide solutions that will help position your clients across the country for a confident, comfortable retirement.
