

## **Jeremy Milleson**

*Director, Investment Strategy*

Jeremy is responsible for Parametric's tax-managed equity strategies. As the lead strategist for Custom Core<sup>®</sup>, he works closely with taxable clients and advisors to design, develop, and implement custom portfolio solutions. He was previously a portfolio manager on the Custom Core team for six years. Prior to joining Parametric in 2012, Jeremy worked as an instructor in economics at the University of Washington and as a private client associate for Bernstein Investment Research and Management.
