

Marc Dummer, CAIA, CIMA® - Managing Director & Portfolio Manager

Marc is a Managing Director and Portfolio Manager at Principal Global Asset Allocation (PGAA), a specialized investment boutique within Principal Global Investors that engages in the creation of asset allocation solutions. He is responsible for co-managing our dynamic outcome suite of strategies. This includes all portfolio construction, asset allocation and manager optimization decisions relating to this suite of strategies. He joined Principal in 2003 and has been in the investment industry since 1996. Previously, Marc was a Senior Relationship Manager for Principal Global Investors, where he represented portfolios to Principal Global Investor's largest and most sophisticated institutional clients, with mandates spanning the equity, real estate, fixed income, and currency asset classes. Prior to joining Principal, he co-managed fixed-income general account assets for a group of privately held insurance companies. Marc received an M.B.A. and a bachelor's degree in finance from the University of Utah. Marc has earned the right to use the Certified Investment Management Analyst and Chartered Alternative Investment Analyst designations.
